Felix Mendelssohn

February 3rd, 1809 – November 4th, 1847

This is possibly the hardest last name to spell ever. At least for me. He was a musical prodigy, but was very conservative in nature. While his fellow composers were being dramatic and self indulgent, he went back to the earlier styles for his inspiration.

My Favorites: Octet in Eb Major, Hebrides Overture

Remember:

- Parent signature is required every week
- 90 minutes of practicing PER week
