Johann Sebastian Bach

March 31st, 1685 – July 28th, 1750

J.S. Bach’s music really created what music to us now means. Music that “sounds good” to our ears is because of Bach. Interestingly enough, he wasn’t much revered while he was alive. His children were more famous than he was at the time (he had 20!).

My Favorites: Cello Suites!!!

Remember:

- Parent signature is required every week
- 90 minutes of practicing PER week
- **Due: MARCH 23rd**
