

EDUCATION THROUGH THE PERFORMING ARTS

Dear Parents:

We are pleased to inform you that your child has expressed a desire to enroll in the **instrumental music program** this year. It is our goal and pleasure as music educators to offer every student an opportunity to experience the beauty, creativity, and discipline of this art form.

Having decided to enroll your child in the **instrumental music program**, we would like to inform you of the following criteria:

- The instrumental music classes (strings and winds) are based on a year-long course of study. Once enrolled, a student will be expected to remain in that class for the remainder of the school year.
- Class participation requires an evening performance in the spring.
- To participate in the class, a student must have his or her own instrument and book.
- Students are expected to practice daily. Parents are asked to encourage that practice time.
- Students will receive an academic and effort grade.

Thank you for your continued support of our music program. If there are any questions, please feel free to call (936-5081).

Sincerely,

Instrumental Music Educators
Irvine Unified School District
